2. Important Application Tips

Below are items to keep in mind while completing the CRF application.

- a) **Less is more! Be concise, specific, and clear as possible when writing project information.** Certain fields throughout the application will have predefined word limitations. Avoid having responses longer than a paragraph (5 or 6 sentences) and copying and pasting text from websites, handouts, or other materials.
- b) The Grants Management System will periodically auto-save your work. At the bottom of each page is a **blue** button labeled Save Draft (). It is essential to click this before going to the next page or walking away from your computer to prevent a loss of information.
- c) All items marked with an asterisk (*) are mandatory fields. The application can only be submitted if all asterisk items have been completed. As you go through the application, you can click the **blue** button labeled Validate () for your application in progress. Clicking this button will allow the system to determine and advise which fields still need to be completed to apply.

- A red X (✖) will appear alongside red text next to an incomplete field. Additionally, a Submission Failed dialogue box will appear at the top of your screen to indicate any incomplete fields. Clicking a specific line of text in the Submission Failed dialogue box will take you directly to where you need to finish providing information in the application.
- d) Once the application has been submitted, if the deadline for submission has not passed, you may unlock your application for revisions. From your home screen, look for Applications in the UNDER REVIEW ( UNDER REVIEW (2)) tab. Click the Application you want to open or the Open () button. Once the application has opened, click the **blue** button at the bottom of your screen labeled Unlock for Revisions (), and the system will allow you to make any desired changes to your application. ***Just be sure to resubmit it before the deadline!*** Once an application deadline has passed, changes can only be made by contacting the Community Reinvestment Fund Coordinator. You may email Bond_Public_Comment@Delaware.gov to see if your request can be accommodated. If the application review process has already occurred, you will unlikely be able to make any changes.
